

REVISED

INSURANCE

Policy Code:

8340

1 The Transylvania County Board of Education (the “board”) will maintain insurance or other
2 liability coverage adequate to safeguard the school system’s property and assets. The finance
3 officer shall make recommendations to the board on the amounts and types of liability
4 coverageinsurance that should be obtained, such as errors and omissions, general liability, boiler
5 & machinery, real and personal property, auto liability, and workers’ compensation. Costs
6 associated with maintaining adequate liability coverageInsurance premiums will be included in
7 the budget as a necessary expense. The finance officer will maintain custody of liability
8 coverageinsurance policies and insurance-programs.

9
10 If the board requires school social workers to increase their private automobile liability coverage
11 and/or to add a business use rider in order to transport students in their private vehicles, the
12 school will reimburse the social worker for the additional premium charged and/or for the
13 increased liability limits or the added rider.
