

Brevard High School

TCBOE Presentation on Students in Poverty
March 2016

**“Could someone help me with these?
I’m late for math class.”**

At BHS, we recognize that there are factors beyond our control, outside of our school doors, that impact our students.

We refuse to focus on what our students don't have. Instead, we focus on coordinating resources, offering hope and a helping hand. Our students have a number of academic and nonacademic needs.

At BHS, we are focused on taking care of our students'!!!

- We identify what students need from us.
- We have a dedicated staff who work diligently to do **WHATEVER** it takes.
- We partner with numerous individuals and organizations to support the social, emotional, physical, and financial needs of our students and their families.

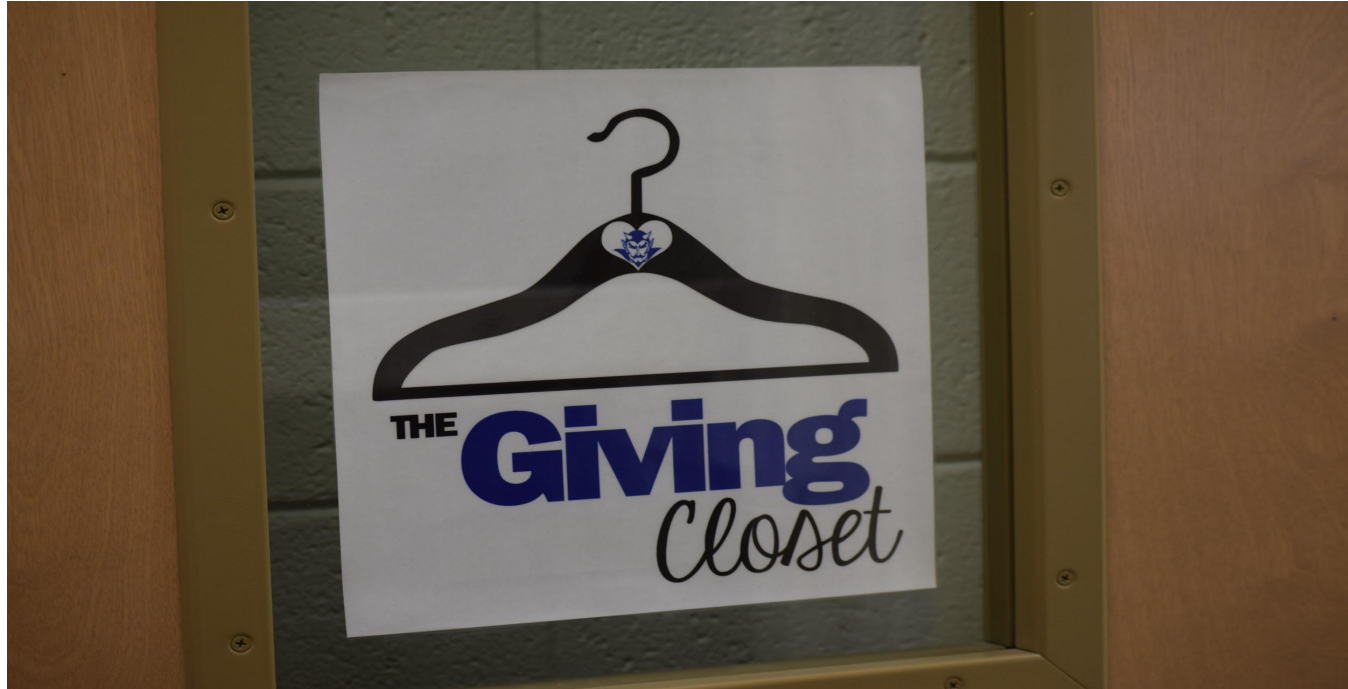

MASLOW'S HIERARCHY OF NEEDS

What are we doing to support our Blue Devils?

- **BHS Tell Me Video**
- **The Giving Closet**

The Giving Closet

Clothing & Shoes

Toiletries

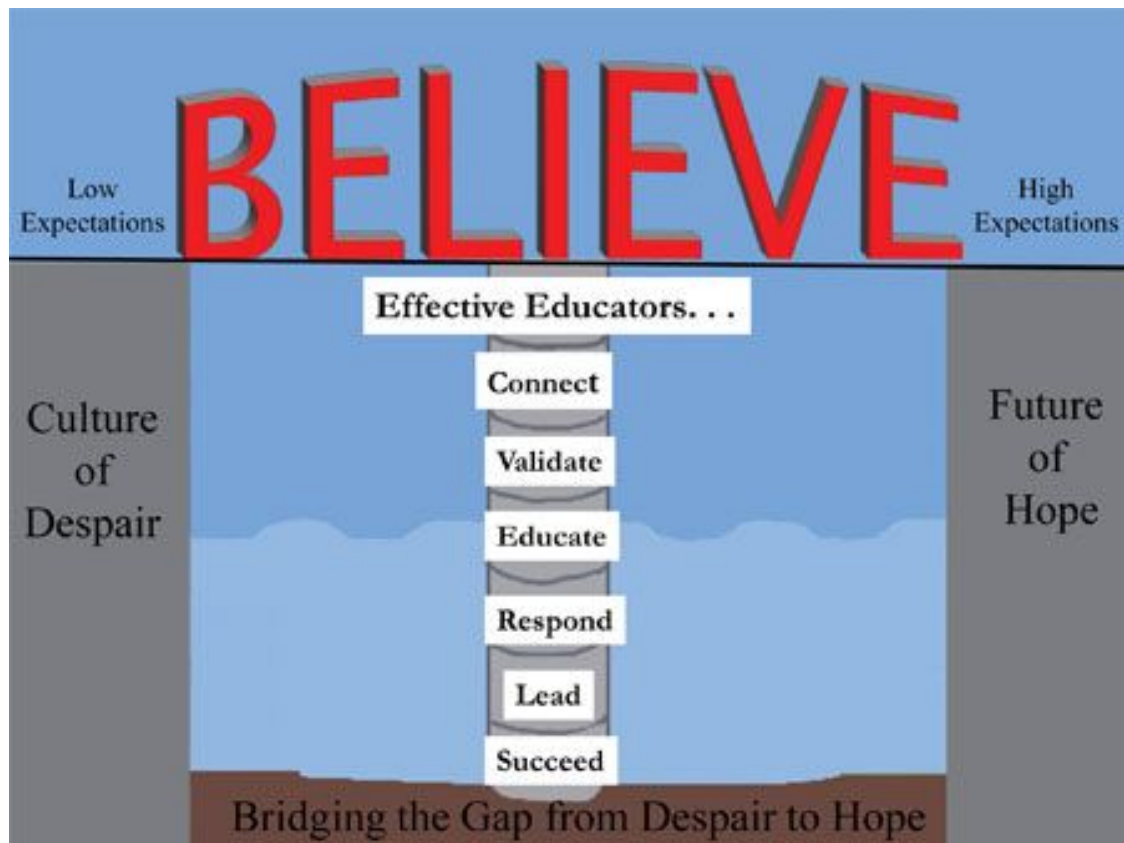

Food

Student Service & Learning

giving back helping the environment helping the community selfless enjoyable/satisfying rewarding
helping others
unpaid building relationships giving up time volunteering moral/worthwhile rewarding
good for the CV rewarding

**DO WHAT IS RIGHT
NOT WHAT IS EASY**
