# Education and Skills for Life

“Unlike the standardized tests we’re preparing our students for, life is multi-faceted, often ambiguous, and there’s rarely one clean-cut solution to any one problem. Life and work require complex thinking for complex challenges.”

*Daggett & Sconzo, 2015*

Beyond the 3Rs - the new skills the world is looking for.

Leadership

Digital literacy

Communication

Emotional intelligence

Entrepreneurship

Global citizenship

Problem solving

Team-working

***Transformation***

**Redefinition**

Technology allows for the creation of new tasks -  
previously inconceivable

**Modification**

Technology allows for significant project/task  
redesign

**Augmentation**

Technology acts as a direct tool substitute with  
functional improvement

**Substitution**

Technology acts as a direct tool substitute with no  
functional change

***Enhancement***
