Part C: Identification of Aspects of Training Event

Identify the area(s) in which the training addresses board member duties and responsibilities. You must check at least one area.

- Vision** The training activity assists in establishing a vision for student achievement shared by the board, superintendent, staff and community.

- Standards** The training activity assists in setting clear learning standards for student achievement.

- Assessment** The training activity assists in establishing an assessment system that periodically measures individual student progress toward standards.

- Accountability** The training activity assists in establishing a strong accountability process for the district.

- Alignment** The training activity assists in aligning resources to ensure that students meet standards.

- Climate** The training activity assists in creating a positive learning environment or climate for improving student achievement.

- Collaboration** The training activity assists in building and maintaining collaborative relationships between the board and the superintendent, and the leadership team with the community including key political business leaders to develop support for student achievement as a top community priority.

- Continuous Improvement** The training activity assists in the commitment to a process of continuous improvement for student achievement.

Part D: Local Board Approval
