The Team for Academically Gifted Education (TAG) recommends the following service delivery options:

| Learning Environment   | Area of Strength: | Enriching Activities in which the Student Participates |
|--|-------------------|--|
| ___ AIG Coordinator support, as needed                       | _____ Reading     | Academic Clubs: (please list)                          |
| ___ Enrichment for AIG as scheduled                          | _____ Math        |  |
| ___ Advanced math class                                      |                   |  |
| ___ Advanced reading class                                   |                   | Sports:  |
| ___ Math 1   |                   |  |
| ___ On-line course, as needed                                |                   |  |
| ___ Grouping in classroom<br>_____ Flexible<br>_____ Cluster |                   | Other Community Programs:                              |
| ___ Needs are met in the regular classroom setting.          |                   |  |
