<i>Initial Assessment:</i>		MTSS meetings are held monthly to determine student needs. The team determines students who are at risk and plots the appropriate course of intervention. Prior to this year, the only objective we looked at was absenteeism. Those students who had chronic absenteeism were assigned a champion. A champion is a member of the MTSS team.	Limited Development 10/19/2022		
<i>How it will look when fully met:</i>		When completed, the MTSS team will determine which supports are needed for students and actively work to provide early interventions. The focus will be on the mild and moderate categories. Once those students are determined, we will look at cognitive abilities and behavior to set up the appropriate course of intervention.
