What will the NC Report Card results tell us?

What will the NC Report Card results NOT tell us?

**Grit and resilience gained through multiple
disruptions to the learning environment**

How are the NC Report Cards calculated?

In North Carolina, **school grades are based on** each school's achievement score, weighted 80%, and on students' academic growth, weighted 20%.

*HS report card grade also includes Graduation Rate, Math Course Rigor, and ACT scores.

Overall Measures

Meeting/Exceeding Academic Growth: **56%** of TCS schools

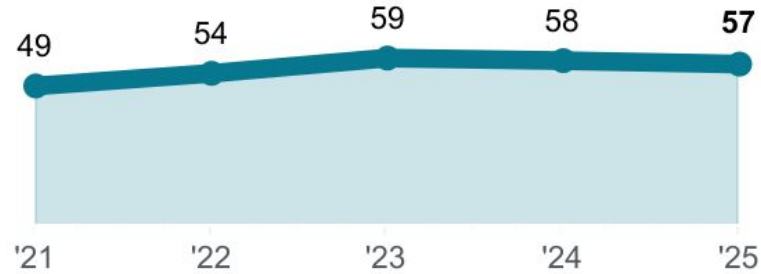

Overall School Grade of C or better: **78%** of TCS schools

TCS -Grade Level Proficiency

Measuring Growth

Explaining the growth measure in NC...

Subject	← Year	← Grade	Growth Indicator
EOG Math - Gain	2025	Across Grades	
EOG Reading - Gain	2025	Across Grades	
EOG Science - Predictive	2025	5	

This school did not meet Expected Growth. How can that be?

Who climbed higher?

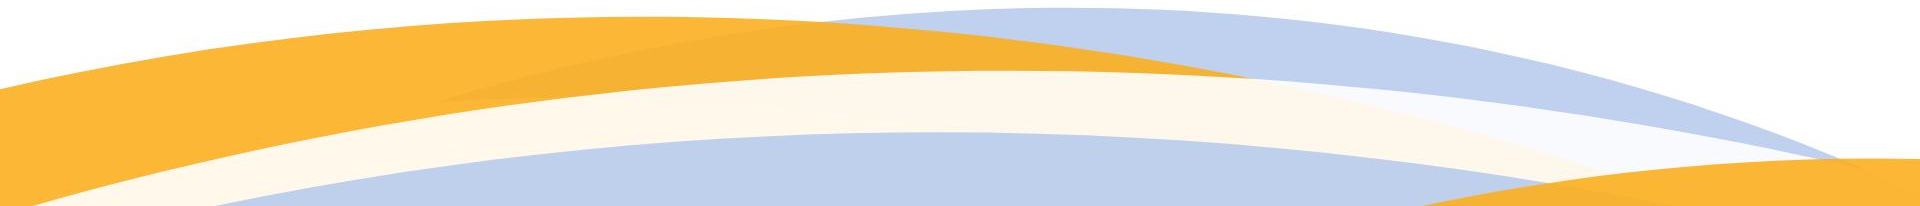

Mount Pisgah

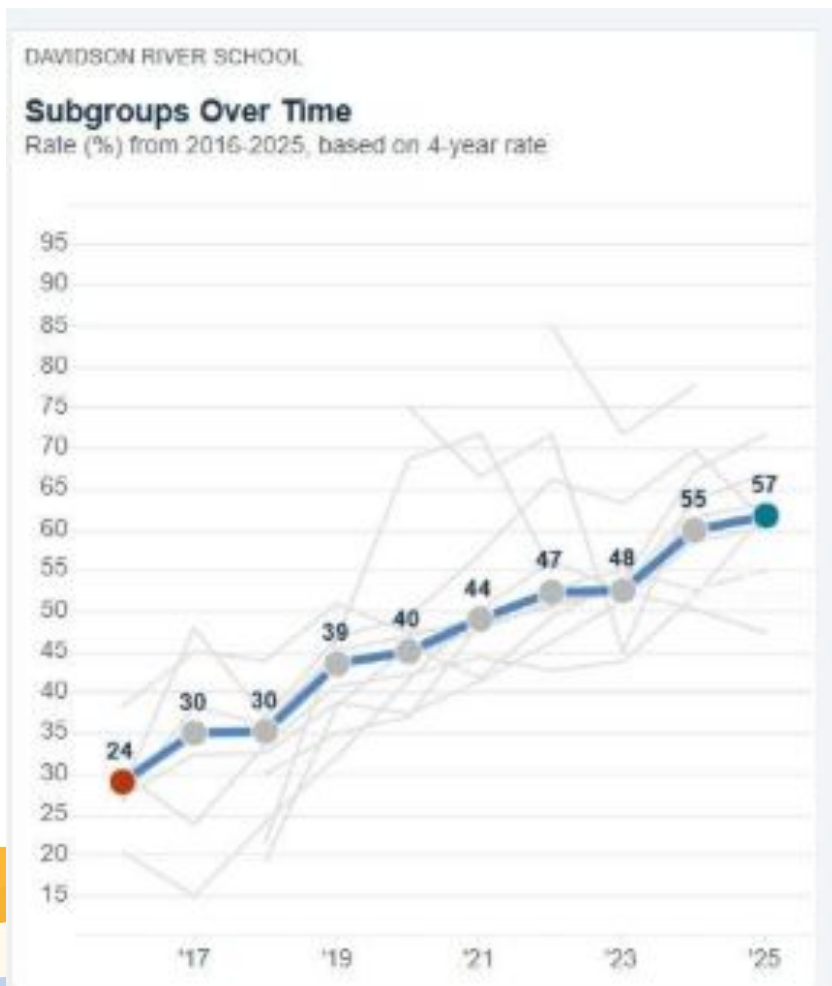

Mount Everest

Notable Highlight:

4 year cohort
graduation rate at
DRS is 57%. A
notable increase
from past data.

Notable Highlights:

- **BHS** ranks #1 in the Western Region for traditional public high schools on ACT performance
- **RMS** tied in WNC as #1 for the growth index
- **TCH** earned a 26.3 point reading gain from 3rd to 4th grade.
- **BES** 4th grade reading cohort grew by 10%
- **PFES** earned 13.6 proficiency gain in reading from 4th to 5th grade.
- **RES** finished in the top 25% statewide on EOG math scores
- **BMS** earned a 6.5 reading gain in their 6th to 7th grade cohort.
- **DRS** maintained status and continues to increase their graduation rate.
- **RHS** Met Growth for overall HS measures

Notable Highlights

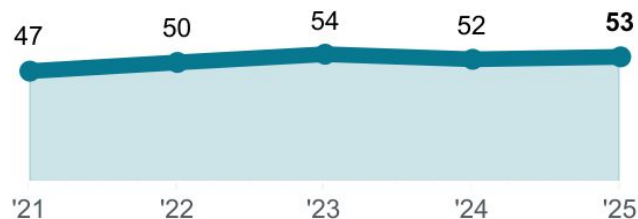

(K-2, mCLASS Data):

- **GLOWS:**
- All four schools ended the year strong in the foundational reading skills in first grade. The **proficient scores ranged from 72%-94% (PSF and NWF)**. *"A first grader who is an average reader by the end of first grade has a 9 out of 10 chance they will remain an average reader by fourth grade".*
- **BES** in 23-24 EOY was 64% proficient K-3, 24-25 was 71%-7 points growth
- **TCH**'s first grade students grew 17% from last year in kindergarten
- **GROWS:**
- Third grade had a 10% increase in proficiency from BOY to EOY in ORF ending at 63% proficient readers across the district.
- Implementation of a new strategy, Partner Reading Paragraph Shrinking at **TCH & BES**
- Continual march towards 80% proficient in all reading foundational skills

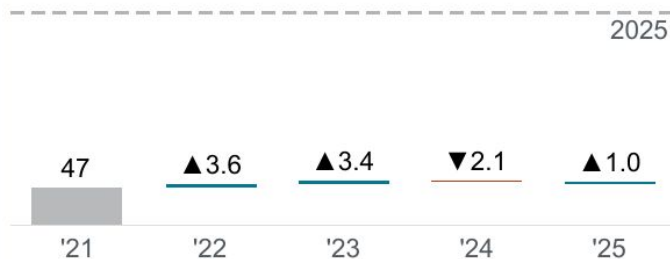

Grades 3-8 Reading

Trend

...and change in percentage points from baseline year.

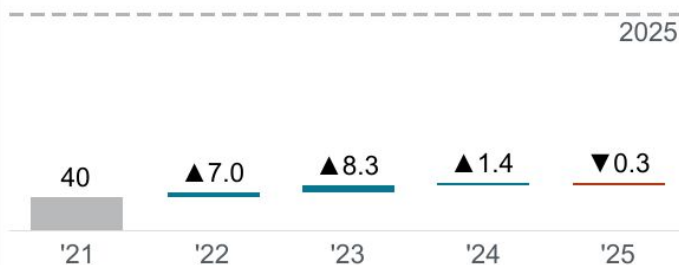

Grades 3-8 Math

Trend

Percentage GLP by year...

...and change in percentage points from baseline year.

Areas of Improvement:

- Grade 6 & 7, Math
- Science - Grade 5, 8, Biology
- Grade 3 Reading College & Career Ready
- Grade 8 Reading College & Career Ready
- Math I - GLP and CCR

Next Steps...

1. Focused school & district support for BES/BMS
2. NCDPI providing learning sessions
3. District Instructional Coach support for Sc & Math
4. Utilizing common formative assessments (Schoolnet)
5. Strategic Professional Development
6. Instructional Framework
