

Voso and Hunt Awards, Close Up Washington Scholarships

Thanks to the TCS Educational Foundation, one rising senior attends Close Up Washington each summer through the Richard Voso Leadership Award, and another student through the Cornelius Hunt Memorial Fund. Cullen Duval and Zipporah Waters will be traveling June 17-22 to Washington, DC, for workshops with students from around the country, to learn more about our nation's history and government, and to meet with our members of Congress. Congratulations and safe travels to Cullen and Zipporah!
