Brevard, NC 28712

Dear Coach Morgan:

Congratulations on winning the 2A Men's Cross-Country Championship! What an exciting way to wrap up your season with a championship win! It must make you and your entire team extremely proud to be the defending state champions and have claimed the title three of the last four years.

The NCHSAA commends you and your staff for being role models of sacrifice, commitment, dedication, and hard work—keys to success and achievement. We are proud that you are teaching your players that dreams can become realities with those ingredients! Thank you for helping the people on and involved with your team experience success and the thrill of victory.

Again, congratulations!

Sincerely,
