

Transylvania County Schools

Online Learning Path

September, 2020

Online Learning Path Teachers:

Teaching 100% in the
OLP:

- ▶ Elementary-22
- ▶ Middle- 7
- ▶ High- 3

Teaching 1 OLP or
blended section:

- ▶ Elementary-0
- ▶ Middle- 6
- ▶ High- 17

OLP involves:

- Teachers doing multiple instruction methods (face to face, online, blended)
- Extra courses added to semester load
- Combination classes

Online Learning Path Students:

Number of students in the OLP:

- ▶ Elementary-470
- ▶ Middle- 310
- ▶ High- 264

OLP Success:

- *Teacher Collaboration
- *All grades utilizing Google Classroom
- *Daily Framework of instructional day
- *Growth in teacher technology skills

OLP Challenges:

- *Student engagement, in particular with high school electives
- *Completing assignments in a timely manner

Ongoing Efforts...

- Optional monthly OLP teacher meetings with school/district support staff
- Parent Feedback Meetings in October with Elem, Middle and High
- Tech tools given at the elem level to support sound quality with frequent movements while teaching

What's Next?

Continued support of teachers, students, parents.

New student application process will go “Live” by the middle of October.

The goal is to have the application process for the spring semester complete by October 30th and all class rosters set by winter break.

Thank You...
