

1 Policies are the primary means by which the [Transylvania County Board of Education \(the](#)
2 [“board”](#)) expresses its vision for the school system. In formulating specific policies, the board is
3 guided by governing principles it considers critical to providing a system of excellent schools
4 where students can succeed. These governing principles are referenced frequently in the board
5 policies and also are set out below.
6

- 7 1. Student success. As its top priority, a system of excellent schools provides opportunities
8 for individual students to succeed and overall student performance to improve.
9
- 10 2. Parental involvement. A system of excellent schools involves parents in decisions
11 regarding their own children, the educational program, and the schools.
12
- 13 3. Safe, orderly, and inviting environment. A system of excellent schools creates and
14 maintains a safe and orderly environment where staff and students are focused on and
15 excited about learning.
16
- 17 4. School initiatives. In a system of excellent schools, each school initiates improvements
18 to the educational program and services for students and involves staff, parents, and
19 students in school-level decision-making processes.
20
- 21 5. Professional development. A system of excellent schools provides continuous
22 professional development and training to help personnel gain the skills and knowledge
23 needed to meet State Board and local board expectations, especially as they relate to
24 improving student performance.
25
- 26 6. Removal of barriers. A system of excellent schools prohibits illegal discrimination and
27 harassment of staff and students, encourages tolerance and respect, and seeks to eliminate
28 or lessen other barriers that may impede a student’s ability or opportunity to learn,
29 including economic disadvantages, poor nutrition, ill-health, and lack of transportation.
30
- 31 7. Stewardship of resources. A system of excellent schools conserves financial and
32 environmental resources and operates in an efficient manner.
