

1 The official spokespersons of the school system will be the chairperson of the board or designee
2 and the superintendent and designees. Any person speaking in an official capacity shall conduct
3 his or her assignment from the standpoint of the best interests of the Transylvania County Board
4 of Education (the “board”), the school system, and the community, not as a representative of his
5 or her own personal ideas or feelings. **In addition, the superintendent and other school**
6 **employees who are called on to speak in their official capacities as employees of the school**
7 **system shall communicate the position of the school board when asked to comment on**
8 **legislative, policy, or political issues.**
