

1 Voting will normally be by voice vote on all matters coming before the [Transylvania County](#)
2 [Board of Education \(the “board”\)](#) for action. However, any member may call for a division, in
3 which case the vote will be by show of hands. In either event, the minutes will reflect the vote of
4 each member voting and the abstention of any member present but not voting, unless the vote is
5 unanimous.

6
7 A board member must vote on all issues unless the member has a conflict of interest or is unable
8 to remain impartial in a judicial matter before the board. If a board member recuses himself or
9 herself from a vote, the member will state the reason before the vote is taken and the reason will
10 be recorded in the minutes.

11
12 No secret ballots are permitted. If the board decides, by majority vote, to vote by written ballot,
13 each member must sign his or her ballot, and the ballots must be available for public inspection
14 in the superintendent’s office immediately following the meeting and until the minutes are
15 approved. The minutes of the meeting must specify the vote of each member’s written ballot.
16 The ballots may be destroyed after the minutes of the meeting have been approved.
