

1 All principals and school personnel are encouraged to initiate improvements to the educational
2 program and services for students through school rules, standards, and procedures. Unless
3 specifically addressed by the [Transylvania County Board of Education \(the “board”\)](#), the
4 superintendent may determine what matters will be addressed through administrative procedures
5 developed in accordance with policy 2470, Administrative Procedures, and what matters may be
6 addressed through school rules, standards, or procedures established by the principal.

7
8 Principals are responsible for school rules, standards, and procedures and are encouraged to
9 involve staff, parents, students, professionals, and citizens as appropriate to the issue.

10
11 At any time, the board or superintendent may review and direct the principal to modify, expand,
12 or omit a school rule, standard, or procedure. All rules, standards, or procedures must be
13 consistent with applicable policies of the board, the administrative procedures of the
14 superintendent, and any other applicable laws and regulations.
