

1 To create and maintain a safe, orderly, and inviting learning environment, students must have the
2 skills to resolve conflicts in non-violent ways.

3
4 All schools are encouraged to include a conflict resolution plan in the school improvement plan
5 as provided in policy 3430, School Improvement Plan.

6
7 The central curriculum committee shall explore opportunities to integrate conflict resolution
8 skills into the standard course of study and other curricula.
