

1 The superintendent shall develop procedures for the temporary closing of a school or all schools  
2 in the school system because of inclement weather or any other unforeseen occurrence that  
3 presents a threat to the safety of students and employees or causes major damage to school  
4 property. The superintendent shall notify parents, the news media, and other interested parties of  
5 a decision to close a school or schools as soon as it is feasible to do so under the circumstances.
