

**RELATIONSHIP WITH  
OTHER GOVERNMENTAL AGENCIES**

*Policy Code:*     **5100**

---

1 Productive working relationships with other governmental agencies are critical to the school  
2 system’s efforts to provide safe, orderly, and inviting learning environments in which students  
3 can succeed in the educational program. These relationships also are necessary to coordinate  
4 services so that various governmental agencies can strive to meet the needs of students in an  
5 efficient and effective manner.

6  
7 School administrators are expected to develop and maintain productive working relationships  
8 with other governmental agencies. Any contracts or specific agreements regarding working  
9 relationships with other governmental agencies must be approved by the [Transylvania County](#)  
10 [Board of Education](#) (the “board”).
