

1 The [Transylvania County Board of Education](#) (the “board”) recognizes that an effective
2 educational program must be supported by services that assist students in taking advantage of
3 educational opportunities to receive a sound basic education. The board also recognizes the need
4 for services that help the school system use resources necessary for an educational program in an
5 effective and efficient manner.

6
7 The board and superintendent will strive to educate the board of county commissioners and other
8 funding sources of the importance of support services.
