

1 The [Transylvania County Board of Education \(the “board”\)](#) recognizes the link between student
2 health and learning. The goals of student health services are:

- 3
- 4 1. to encourage the physical well-being of all students;
- 5
- 6 2. to integrate health-related services provided in the school setting, including those
7 provided by counselors and health specialists;
- 8
- 9 3. to provide health services in a manner that reinforces the objectives of the healthful living
10 education curriculum;
- 11
- 12 4. to work cooperatively with other governmental agencies and professional associations
13 interested and involved in the health of students;
- 14
- 15 5. to use up-to-date research findings to develop and provide health services to students;
- 16
- 17 6. to meet all legal obligations; and
- 18
- 19 7. to provide courteous service to students and parents.
