

1 The superintendent shall establish school nutrition services consistent with the goals of the
2 Transylvania County Board of Education (the “board”) as provided in policy 6200, Goals of
3 School Nutrition Services, and state and federal laws and regulations. Duties related to the
4 nutrition services should be included in appropriate job descriptions. Each principal and
5 cafeteria manager is responsible for the school nutrition services program in his or her school,
6 under the supervision of the director of school nutrition services.
7

8 The superintendent shall verify that all school nutrition services personnel are certified and
9 trained in accordance with the law.
