

1 The [Transylvania County Board of Education \(the “board”\)](#) will provide school transportation  
2 services for eligible students consistent with the following goals:

- 3
- 4 1. providing transportation to and from school to all eligible students;
- 5
- 6 2. making safety a priority in maintaining quality transportation equipment and vehicles;
- 7
- 8 3. teaching and expecting students to act in a safe and orderly manner while using school  
9 transportation;
- 10
- 11 4. planning and providing transportation services efficiently and economically;
- 12
- 13 5. using transportation services to support the types of learning opportunities available to  
14 students;
- 15
- 16 6. working effectively with students, parents, guardians, private contractors, and other  
17 governmental agencies in providing transportation services; and
- 18
- 19 7. providing courteous service to students and responding promptly and courteously to  
20 requests by parents, guardians, and students.
- 21
