

1 The [Transylvania County Board of Education \(the “board”\)](#) encourages processes that will foster
2 competition among potential bidders. The identity of contractors who have obtained proposals
3 for bid purposes for a public contract is confidential until the bids are opened in public and
4 recorded in the board minutes. Any employee who divulges such information to any
5 unauthorized person will be subject to disciplinary action.

7 This policy is not intended to limit the superintendent’s discretion to conduct prebid meetings.
