

1 Services will be purchased in a manner consistent with the purchasing goals of the Transylvania
2 County Board of Education (the “board”). Competitive bidding is not required for the purchase
3 of services; however, contracts for services will be made under conditions that foster competition
4 among potential providers when feasible and after careful pricing.

6 For all purchases and contracts valued at \$1,000 or more, the board will require the service
7 provider to certify that it is not listed on the state treasurer’s “Final Divestment List” or “Iran
8 Parent and Subsidiary Guidance,” as required by G.S. 147, Article 6E, and that it will not engage
9 subcontractors who are on either list.
