

**GOALS OF EQUIPMENT,
MATERIALS, AND SUPPLIES SERVICES**

Policy Code: **6500**

- 1 Services for managing the school system’s equipment, materials, and supplies will be organized
2 by the superintendent and operated in a manner consistent with the following goals:
3
4 1. enhancing students’ opportunity to learn;
5
6 2. utilizing technological advances and other improvements in equipment, materials, and
7 supplies to increase the effectiveness and efficiency of personnel;
8
9 3. obtaining uniformity in the equipment, materials, and supplies used throughout the
10 system to the extent that such uniformity promotes efficiency;
11
12 4. efficiently storing, maintaining, and retrieving equipment, materials, and supplies;
13
14 5. maximizing the useful life of equipment, materials, and supplies;
15
16 6. extending the usefulness of equipment, materials, and supplies through reuse;
17
18 7. using and disposing of property in an environmentally sound manner; and
19
20 8. providing prompt and courteous service to vendors, school system personnel, and others
21 who have a need to interact with the school system in regard to equipment, materials, and
22 supplies.
