

1 Equipment, materials, and supplies are intended to further the board’s goals of the Transylvania
2 **County Board of Education (the “board”)** as provided in policy 6500, Goals of Equipment,
3 Materials, and Supplies Services. Any use that is inconsistent with these goals is not permitted.
4 Equipment, materials, and supplies are made available for use in schools, on school system
5 property, or at school-related events. The superintendent or building-level supervisor shall
6 establish procedures or rules for allowing individuals or organizations to take such items,
7 especially those of significant value, off of school premises.
