

1 The [Transylvania County Board of Education \(the “board”\)](#) encourages employees to contribute
2 their ideas for the betterment of the school system. School employees will be asked to help with
3 developing policies, administrative procedures, and goals and objectives, and with planning
4 curricula, services, budgets, and facilities.
5

6 In devising rules and procedures for the operation of the schools, administrators shall seek the
7 suggestions of those employees who will be affected by such provisions. When desirable,
8 professional employees will be given an opportunity to contribute to curriculum development
9 and to recommend policies and administrative procedures that pertain to students and instruction.
10

11 The superintendent shall develop channels for communicating ideas among employees, the
12 administration, and the board, and shall inform the board of employee opinions when presenting
13 recommendations for board actions.
