

1 Subject to review and approval by the Transylvania County Board of Education (the “board”),
2 the superintendent shall be responsible for organizing and reorganizing the administrative and
3 supervisory staff in a manner that the superintendent believes best serves the school system. The
4 superintendent shall provide to the board a chart showing the administrative organization and the
5 administrative line of authority. The superintendent shall update the chart as necessary and
6 report any changes to the board.
