

1 The [Transylvania County Board of Education](#) (the “board”) is committed to obtaining,  
2 managing, and using financial resources to support a system of free public schools and to further  
3 the educational goals of the board and the State. All decisions regarding the use of financial  
4 resources will be consistent with the board’s objective of providing all students with a sound  
5 basic education, as required by law.
