

1 Facility construction will be undertaken in accordance with the long-range plan adopted by the
2 [Transylvania County Board of Education \(the “board”\)](#) and the facility design approved by the
3 board.

4
5 Buildings should be constructed with durable materials that, when possible, permit space to be
6 adapted to various purposes and to be adjusted to changes in technology or the educational
7 program.

8
9 The board will not accept substandard construction. In the event of insufficient funding for a
10 project, the board will defer implementing parts of the long-range plan.

11
12 Any repairs or renovations of school facilities should be undertaken in such a way as to minimize
13 disruption of instructional time and the educational environment.
