

1 The [Transylvania County Board of Education](#) (the “board”) believes the security of school
2 system facilities is an important part of maintaining a safe learning environment for students and
3 staff and for protecting the investments of the school system. The superintendent or designee
4 shall develop and implement programs or procedures as necessary to meet, at a minimum, the
5 following board requirements for security of facilities.

- 6
7 1. All school system buildings must use a security control system that limits access to keys
8 or other building entry devices to authorized personnel and safeguards against
9 unauthorized individuals gaining entry to buildings.
- 10
11 2. The superintendent is responsible for determining the need for and responsibilities of
12 security personnel and shall make recommendations as appropriate to the board for
13 funding security personnel positions or contracts.
- 14
15 3. The superintendent must provide the Department of Public Safety’s Division of
16 Emergency Management (Division) with emergency response information it requests for
17 the school risk management plan and updated emergency response information when
18 such updates are made. The superintendent must also provide the Division and local law
19 enforcement with schematic diagrams, including digital schematic diagrams, of all school
20 facilities and updates of the schematic diagrams when the school system makes
21 substantial facility modifications, such as the addition of new facilities or modifications
22 to doors or windows. Schematic diagrams must meet any standards established by the
23 Department of Public Instruction for the preparation and content of the diagrams. In
24 addition, the superintendent must provide local law enforcement with (1) either keys to
25 the main entrance of all school buildings or emergency access to key storage devices for
26 all school buildings and (2) updated access to school buildings when changes are made to
27 the locks of the main entrances or to the key storage devices.
- 28
29 4. Principals shall make reasonable efforts to secure buildings and other valuable property
30 on school grounds when the school is closed or vacated.
- 31
32 5. Teachers are to make reasonable efforts to secure their assigned classrooms or other
33 designated spaces when the school is closed or vacated or when their classrooms or other
34 designated spaces are not in use.
- 35
36 6. Principals are encouraged to involve teachers, other school staff, parents, students, and
37 law enforcement in identifying the security needs of the school.
- 38
39 7. Principals shall implement programs or make recommendations to the superintendent and
40 board as appropriate to address the security needs of the school.

41
42 Other board policies regarding the maintenance of facilities, safety, and visitors to the school
43 also are important to maintaining the security of the school environment. All professional
44 employees and other employees with job duties related to the security of the facilities are

45 responsible for being familiar with these policies and carrying out duties specified by board
46 policies or the superintendent or designee.
