

Sound fiscal management is recognized as the cornerstone of a quality education program. The School Board recognizes the important trust it has been given in managing a large amount of public resources.

In managing the fiscal affairs, the Board seeks to achieve the following:

1. To engage in thorough advance planning, with broad based staff and community involvement.
2. To establish levels of funding to provide a high quality of education.
3. To use efficient accounting and reporting procedures.
4. To provide timely and appropriate information related to fiscal management.
