JOB DESCRIPTION - ATHLETIC DIRECTOR

FILE: GCAA

The Transylvania County Board of Education believes:

1. That our schools should provide a good opportunity for pupils to participate in athletics.
2. That athletic experiences must be first rate for all participants.
3. That the athletic program must not be dependent upon gate receipts.
4. That if a person fills a dual role of athletic director and head coach, this role must be responsibly assumed by giving first priority to the total athletic program.
5. That the athletic director
 - Must be an advocate for all persons who participate in athletics.
 - Encourages participation in sports.
 - Will be provided an outline of assigned duties.
 - Will have administrative responsibilities for the athletic program and work with other teachers, coaches, and principals in schools who serve pupils in grades 7-12.
 - Will give attention to the improvement of all athletic programs.
