

RESCIND

CONTRACTED SERVICES

FILE: IHI

For the purpose of more adequately meeting the needs of students the Transylvania County Board of Education will contract with agencies and/or individuals to provide services to students

- who are temporarily unable to participate in the regular school instructional program
- with special needs who need support services.

Contracts are to be implemented in accordance with local, state and federal regulations.

Approved by Board and
effective June 12, 1979
