

1 Equipment, materials, and supplies are intended to further the instructional, co-instructional,
2 extracurricular, and operational goals of the Transylvania County Board of Education. Any use
3 that is inconsistent with these goals is not permitted. Equipment, materials, and supplies are
4 made available for use in schools, on school system property, and at school-related events. The
5 Superintendent or designee shall establish rules and procedures for allowing individuals or
6 organizations to take such items, especially those of significant value, off school premises.
