

~~Equipment, materials, and supplies are intended to further the instructional, co-instructional, extracurricular, and operational goals of the Transylvania County Board of Education. Any use that is inconsistent with these goals is not permitted. Equipment, materials, and supplies are made available for use in schools, on school system property, and at school-related events. The Superintendent or designee shall establish rules and procedures for allowing individuals or organizations to take such items, especially those of significant value, off school premises.~~
