| 119 | A. The Transylvania County Board of Education recognizes that it has little or no authority |
| 120 | to regulate the travel of teachers and students on weekends, during school holidays and |

| 138 | | and distribute literature about the tour, so long as these promotional activities do not |
| 139 | | occur during the class time. Promotional information cannot be disseminated over the |
| 140 | | school or system Web page. All promotional literature, advertising, and meeting |
