
Students attending private schools, private parochial schools, and home schools will be permitted to simultaneously enroll in Transylvania County Schools for a minimum of one-half of the school day. For elementary schools, one-half of the school day will be calculated in minutes. In middle and high schools, one-half of the school day will be determined by instructional periods. Enrollment for less than one-half of the school day will not be permitted.

Dual enrolled students who participate in athletics must be enrolled for the remainder of the school year in order to maintain athletic eligibility. Middle school students who participate in athletics may only satisfy this requirement through face-to-face instruction.
