~~The Transylvania County Board of Education feels that students should be free from unreasonable search and seizure by school officials. School officials may search a student when a reasonable suspicion exists that the student has violated a school rule or broken a law.~~

~~Police Involvement: When law enforcement authorities have initiated the search, or are directly involved in the search, the search will be conducted under criminal law standards rather than under the provisions of this policy.~~

~~Since student lockers are school property, they may be inspected at any time.~~

~~When there is a question about the legality of a student search, the school officials will receive direction from the Superintendent and/or the School Board Attorney.~~
