

## **Regulation Code: 4318-R Use of Wireless Communication Devices**

On July 21, 2025, the board voted to temporarily suspend policy 4318, Use of Wireless Communication Devices, and approve a directive to the Superintendent and administration that while policy 4318 is under consideration by the board in light of recent changes in state law, all Transylvania County Schools will move forward in the 2025-2026 school year with a practice of not allowing students to have cellphones turned on from the time the school day begins to the time the school day ends.
