

TRANSYLVANIA COUNTY SCHOOLS

Reproductive Health and Safety Education Permission Form

1 In accordance with Transylvania County Board of Education Policy IGB and as required by law
2 beginning in grade 7 through grade 9, reproductive health and safety education must be taught to
3 students. The information provided will be **age-appropriate** on sexual abstinence until
4 marriage, STDs, the human reproductive system, effective contraceptive methods for preventing
5 pregnancy and awareness of sexual assault and sexual abuse.

6
7 The materials will be taught in two units during regular health education classes (separated by
8 boys and girls). A parent/guardian must provide a signed permission form for his/her child to
9 participate in either or both units. **If a parent/guardian does not provide a signed permission
10 form for participation, the student will be given an alternate assignment.**

11
12 **Unit One: The Abstinence-Based Unit** will include the following topics:

- 13
14 A. Teaches abstinence from sexual activity outside of marriage is the expected standard
15 for all school-age children.
16
17 B. Presents techniques and strategies to deal with peer pressure and offering positive
18 reinforcement.
19
20 C. Presents reasons, skills and strategies for remaining or becoming abstinent from
21 sexual activity.
22
23 D. Teaches abstinence from sexual activity as the only certain means of avoiding out-of-
24 wedlock pregnancy; sexually transmitted diseases when transmitted through sexual
25 contact, including HIV/AIDS; and other associated health and emotional problems.
26
27 E. Teaches that a mutually faithful, monogamous heterosexual relationship in the
28 context of marriage is the best lifetime means of avoiding sexually transmitted
29 diseases, including HIV/AIDS.
30
31 F. Teaches the positive benefits of abstinence until marriage and the risks of pre-marital
32 sexual activity.
33
34 G. Provides opportunities that allow for interaction between the parent or legal guardian
35 and the student.
36
37 H. Provides factually accurate biological or pathological information that is related to the
38 human reproductive system.

Reproductive Health and Safety Education Permission Form

39 **Unit Two: The Reproductive Health and Safety Education Unit** will include the
40 following topics:

- 41
- 42 A. Teaches about sexually transmitted diseases (STDs). Instruction shall include how
43 sexually transmitted diseases are and are not transmitted, the effectiveness and safety
44 of all federal Food and Drug Administration (FDA) approved methods of reducing
45 the risk of contacting sexually transmitted diseases, and information on local
46 resources for testing and medical care for sexually transmitted diseases. Instruction
47 shall include the rates of infection among pre-teens and teens of each known STD and
48 the effects of contracting each transmitted disease. In particular, the instruction shall
49 include information about the effects of contracting the Human Papilloma Virus,
50 including sterility and cervical cancer.
- 51
- 52 B. Teaches about the effectiveness and safety of all FDA approved contraceptive
53 methods in preventing pregnancy.
- 54
- 55 C. Teaches awareness of sexual assault, sexual abuse and risk reduction. The instruction
56 and materials shall:
