Transylvania County Board of Education
225 Rosenwald Lane
Brevard, NC 28712

Dear Board Members:

I am requesting information regarding the naming of the Rosman High School football facilities. The stadium itself is named Silversteen Memorial Stadium (as is also the old gym).

I am hereby requesting that the field itself be named: William J. Cathey, Jr. Field in honor of the person responsible for bringing football to Rosman!

Mr. Cathey worked tirelessly to organize the communities, raise money etc. to obtain this goal. Also some of the leaders who were instrumental that I can remember were: J.C. Cassell, D.S. Winchester, Burlen McCall (who donated his time and equipment to grade the field). A plaque to honor these and others could be placed at the entrance to the field.

Please notify me if a petition is required to instigate this fitting designation in honor of a man (and men) who rightfully deserve recognition!

I gratefully appreciate your consideration (and subsequent approval!) of this request.

Sincerely,

Freida G. Chapman
