

TRANSYLVANIA COUNTY BOARD OF EDUCATION
RESOLUTION IN SUPPORT OF RETESTING

WHEREAS, Transylvania County Schools recognizes that every child is our county's most precious resource; and

WHEREAS, it is known there are many differing learning styles and methods, and that students master learning objectives at differing rates regardless of age; and

WHEREAS, students and their families encounter conditions in their daily lives that may ultimately affect a student's ability to learn and function adequately in a school environment on a given day; and

WHEREAS, Transylvania County Schools believes education should be about helping students to achieve success through learning beyond a one size fits all, single assessment;

NOW, BE IT HEREBY STATED that the Transylvania County Schools believes the ultimate outcome of student performance should be about ensuring students understand and master learning objectives and outcomes; and

BE IT FURTHER STATED the Transylvania County Schools Board of Education believes providing students with an opportunity to re-test is a logical and fundamental strategy for helping students learn and achieve.

ADOPTED, this the 18th day of August, 2014.
