WHEREAS the first element is that a child enters school healthy and learns about and practices a healthy lifestyle; and

WHEREAS, the second element is that each student learns in an environment that is physically and emotionally safe for students and adults; and

WHEREAS, the third element is that each student is actively engaged in learning and is connected to the school and broader community; and

WHEREAS, the fourth element is that each student has access to personalized learning and is supported by qualified and caring adults; and

WHEREAS, the fifth element is that each student is challenged academically and prepared for success in college or future study and for employment; and

WHEREAS, the North Carolina affiliate of ASCD (NCASCD) is the largest affiliate and provides professional development and networking opportunities for thousands of educators across our state; and

WHEREAS, the continued prosperity and vitality of our state depends on our children's achieving their full potential, which in turn requires educational policies that ensure young North Carolinians be successful;

NOW THEREFORE, BE IT RESOLVED that the Transylvania County Board of Education recognizes October as North Carolina Whole Child Month and encourages parents, educators, and community members to support a whole-child approach to education.
