

School Improvement Plans

Carrie Norris
Chief Academic Officer

**Transylvania
County Schools**

School Improvement Plans:

- Formal plan that drives school improvement
- School Improvement Teams (SIT) are comprised of school admin, instructional personnel, support staff and school parents.
- Platform used: NCStar (Indistar)
- Meetings shall be held at a reasonable hour for all to attend. Meetings are open to the public.
- SIT meeting dates and a login to view the SIP can be found on each school's website.

School Improvement Plans:

- Meetings are advertised in a multitude of ways (newsletters, school messenger phone calls, websites, activities calendars).
- NC Teacher Working Conditions Survey, test data, staff surveys all drive the SIT as they work to create a plan to address opportunities for growth.

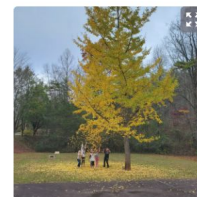

'24 - '25 Weekly Update #12

November has arrived!

We hope you are all enjoying the beautiful fall weather and colors. Our students surely are!

We recently wrapped up the first 9 weeks of classes and first quarter report cards will be coming home soon! Grades three, four, and five also recently completed their first round of NC Check-In testing. These benchmark tests are used to identify where the students are in relation to the critical grade level standards and which areas they need to focus on improving. Please feel free to reach out to your child's 3rd, 4th, or 5th grade teacher to see how he or she did!

Remember that there is no school on Monday, November the 11th in observance of Veterans' Day. Remember to thank a local veteran for his or her service!

Important Upcoming Events:

November 11th - No School (Veterans' Day)
November 14th - rescheduled Fall Picture Day
November 18th - Monthly SIT meeting (all parents welcome to attend)

TCS School Improvement Plans 2024-2025

- Plans will be up for approval at the BOE meeting on December 16th, 2024. While SIP's are a working document, major changes after that date will go through BOE approval once again
