

School Improvement Plans

Carrie Norris
Chief Academic Officer

**Transylvania
County Schools**

School Improvement Plans:

- Formal plan that drives school improvement
- School Improvement Teams (SIT) are comprised of school admin, instructional personnel, support staff and school parents.
- Platform used: NCStar (Indistar)
- Meetings shall be held at a reasonable hour for all to attend. Meetings are open to the public.
- SIT meeting dates and a login to view the SIP can be found on each school's website.

School Improvement Plans:

- Meetings are advertised in a multitude of ways (newsletters, school messenger phone calls, websites, activities calendars).
- NC Teacher Working Conditions Survey, test data, staff surveys all drive the SIT as they work to create a plan to address opportunities for growth.

Overview of Plans - Our Direction Report

- Vision, Values, Mission, Goals
- Data Review: What? How?
- Student Outcome Data
- NCStar Indicators: What drives our practice?

TCS School Improvement Plans 2025-2026

- Plans will be up for approval at the BOE meeting on December 15th, 2025. While SIP's are a working document, any major changes after that date will go through BOE approval once again.
