

DID YOU KNOW?

The TCS School Nutrition team delivered 66,000 meals over the summer...free of charge!

- Our Child Nutrition Department served approximately 66,000 meals this summer.
- They have served nearly 700 children daily, providing meals Monday through Sunday
- That means thousands of meals were provided to children in our community while school was out.
-
- Read all about our great Child Nutrition Department at [EdNC](#).

DID YOU KNOW?

We have a new sign up portal that connects community members with volunteer opportunities!

- One focus of our Strategic Plan is getting families more involved in our schools.
- At the Education Roundtable at BHS earlier this year, one concern came up in almost every breakout group:
“How do we know when schools need volunteers?”
- We now have a Volunteer Opportunities Portal on our website.

Each school has its own folder where volunteer needs will be posted.

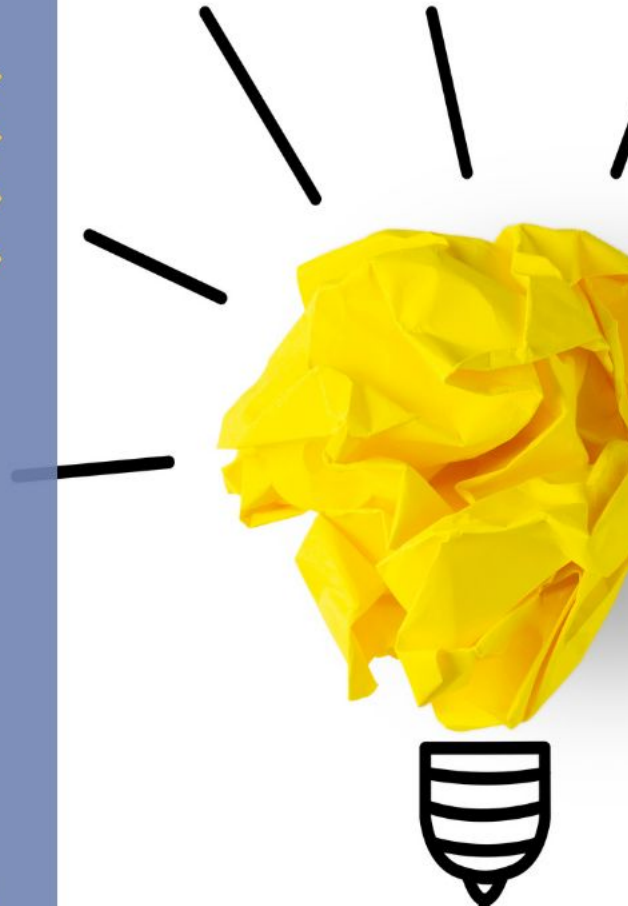

To find the Volunteer Page:

- Go to Programs
- Select Volunteer Program
- Scroll to the bottom
- Click Volunteer Opportunities Portal

Before volunteering, individuals must complete the required paperwork and background check.

DID YOU KNOW?

You can find our Strategic Plan dashboard on the TCS website for updates!

- We now have an interactive [Strategic Plan Dashboard](#) live on our website.
- Parents, staff, and community members can see where we stand on every goal.
- If we're on track, we'll say so.
- If we're falling behind, we'll say that too.

DID YOU KNOW?

All of our Opt-In forms are in your parent portal on Infinite Campus!

- All required back-to-school forms are now available in the Infinite Campus Parent Portal.
- Parents can get a head start by logging into the Parent Portal now. You should have received an email with the information.
- When you log in, you'll be guided through all required forms, including any available opt-in forms.
- If you have trouble accessing your portal or have questions, contact the data manager at your child's school.
