3	Homework	New	<p><u>Homework</u> Rosman Middle School will not assign an excessive amount of homework. However, we do feel that some homework is necessary. Any homework assigned will be purposeful. Please be aware that homework should be due when it is due, and will be expected on time. Teachers will work hard to not assign homework for more than two subjects per night. There may be exceptions, but those exceptions will be clearly communicated well in advance.</p>
3	Missed/Late assignments	New	<p><u>Late Assignments/Missed Assignments</u> Teachers are not required to accept late work after one (1) week. An exception may be made for illness/injury.</p>
