6	Tardies	School needs are different and we would like to address these at each school.
7	Early Dismissals	Student Code of Conduct addresses students that leave campus without permission
10	Hall passes	Information that HS principals don't feel is necessary to include in the uniform handbook.
11	Media Center	Information that HS principals don't feel is necessary to include in the uniform handbook.
13	Parking permits	Each school has individual procedures that are in place. A uniform practice between campuses is not efficient due to parking demands/options.
20	Dress Code	Addition: All shorts and pants must be loose-fitting and modest. Tight fitting pants such as leggings, yoga pants, "jeggings" should not be worn unless with a suitable length shirt or dress covering to the mid-thigh.
