Weather Implications on the school calendar

Where are we?

Hours of Instruction at the present time

- | | |
|--|-------------------|
| • 179 days x 5.85 instructional hours per day - | 1,047.15 hours |
| • 2 Hour Delays x 4 | < 8 hours> |
| • 2 Optional Teacher Workdays | <11.7 hours> |
| • <u>Total available Instructional hours as of 2/10/26</u> | 1,027.30 |
| ○ Addition of 2 - ½ days | <u>5.85 hours</u> |
| • <u>Total hours available through June 5, 2026</u> | 1,033.33 |

Weather Implications on the school calendar

What are the options?

Hours of Instruction at the present time 1,033.33

- Add 10 minutes to each school day beginning March 23, 2026 - this will give an additional 1 full day by May 12, 2026
- Make no changes unless future inclement weather requires changes, then:
 - **If needed**, Saturday school (½ day)
 - **If needed**, add instructional days to the end of the school year

Recommendation: Add 10 minutes to each school day beginning March 23, 2026 - this will give an additional 1 full day by May 12
